## Weekly Newsletter – 12/05/2017

---

### No Crossing Patrol - Tuesday, 16th May until Tuesday, 23 May 2017

There will be no school crossing lady from next Tuesday 16th May until the following Tuesday, 23rd May 2017. Apologies for any inconvenience.

### Class Photo's - Tuesday, 16th May 2017

The school photographer will be in school on Tuesday, 16th May to take group class photos in the main hall.

### Y6 Onesie Photos

Don't forget Y6 pupils will have the chance to have a fun photo taken with their onesies on next Tuesday. If your child is in Year 6 please send your child with their onesie in a bag. They will be getting changed into this during the day for the photo.

### Special Seaside' Dinner menu - Friday, 26th May 2017

Our kitchen staff have a special 'seaside' menu lined up for the last day of term. You will be able to choose from Battered Fish, Hot Dog or Turkey sandwich. The desserts will be either; Jelly and Ice Cream, Jam Doughnut, Yogurt or fresh fruit.

### PE Kits

As the weather is improving children will be having more PE sessions outside. Please could we ask that children have the correct PE kit in school, including outdoor footwear.

### Charity Fun Day - Local Event, 28th May 2017

A parent has asked us to let you know about a local Charity Fun Day happening on Sunday, 28th May 2017 at the Yorkshire Terrier Pub in Brinsworth. This is to raise money for the 4Louis Charity. There are posters up around school with more information.

---

### FS2

This week FS2 have been looking at instructions for how to make rockets and have even started to write their own. We have also been painting Aliens.

### Class 1

Both the plants that we planted in the conventional way, and some our experimental plants have started to grow this week! We have been very excited to see the green shoots appear.

In Maths we have been learning about the fraction one quarter, by dividing groups of items into four. It has been quite tricky, but we have worked really hard and we are really getting the hang of it.

### Class 2

This week in Class 2 we have been planting lots of different plants in our Inspiration Station. We have tried giving some cress different types of liquids such as salt water. We can't wait to see what happens to the plants over the next two weeks.

### Class 3

We have been exploring the wildlife outside the classroom. No need to google images for our Catcliffe Nature books, we have been seeing and capturing nature as it plays out in front of our very eyes.

### Class 4

Class 4 (AKA Guardians of the Garden) have been keeping our eyes fixed closely on the 'Project Pollination' space, where we cultivated the soil and sowed some wild flower seeds last week. Hopefully it won't be too long before the shoots start to appear! We have continued with writing our own play scripts and should be ready to practise performing them by the end of the week. We will post them onto Seesaw as soon as possible.

### Class 5

This week (like every week) class 5 have been working extremely hard in our maths. We have been learning all about line graphs, when we use them, how to draw them and creating our own problems for a partner to solve. Miss Harrop is so impressed with the amount of children who have reached the 'Prove It' challenge; we are now experts!

### Class 6

We are so proud of our Year 6's this week. They coped amazingly well with all the tests and Mrs Singh and the staff have been so impressed with their positive attitudes and camaraderie.

As well as doing marvellously in SATs this week Year 6 have also been planting sunflowers and cress and learning about wildlife.

---

## Attendance Award

**This week's winning class is Class 6 with 99.6% attendance this week-well done!**

Class	Attendance (%)	Late Arrivals	Overall Score
F2	98.3	0	98.3
Year One	97.7	3	96.7
Year Two	97.5	3	96.3
Year Three	97.7	6	95.7
Year Four	96.7	1	96.3
Year Five	96.7	2	96.0
Year Six	100	1	99.6

**Learning was disrupted 16 times this week due to children arriving late!**

Green indicates that attendance above the National Average

Yellow indicates that attendance is broadly the National Average

Red indicates that attendance is below the National Average and this needs to improve **PLEASE!**
